

Sprint 4 Report

Kakaw

Kakaw Team

6/5/2023

Actions:

To stop doing:

- As a team, stop only relying on testing to measure completeness

To start doing:

- As a team, we should update the trello more frequently
- As a team, we should do other logistical things in a timely manner
- As a team, we should review prs even faster

To keep doing:

- As a team, we should continue maintaining frequent communication with each other.

Work completed/not completed:

Completed:

- [IT 4.0] Infrastructure tasks
- [US 1.6] As a student, I want to select what I think is the best answer out of some answer choices given to me so that I can participate in the quiz.
- [US 2.5] As a professor, I want to be able to experience a fully functional question editor
- [US 4.1] As a teacher, I want to be able to kick users from a given quiz session so that I can ensure that there are no unwanted trolls.
- [US 4.2] As a game host, I want validation for requests to ensure that they are coming from the correct users.
- [US 4.3] As a player, I want to be able to join mid-game so that I can participate in the game at any point.

Not Completed:

- [US 2.6] As a Teacher, I want to export quizzes in a readable format so that students can review quiz questions off the app on their own time. [4]
 - [2.6.3] Generate quiz HTML on server and send to client [2]
